MANY VISITORS AT FIREMEN'S MEETING

Second Day of Tournament Draws Large Crowds—Meet Next in Orangeburg.

Greenwood, May 19.—A grand parade participated in by all of the visiting teams and citizens of Greenwood and grand races on the Hampton avenue track featured the second day of the State Firemen's Tournament.

The procession began promptly at 11 o'clock from the court house. The teams in the parade were The "Dixie Flyer," Marion, Greenwood No. 1, Newberry, Sumter, Columbia, Bennettsville, Bishopville, Union, Darlington, and Greenwood No. 2. The Greenwood concert band followed.

At 12 o'clock the hose wagons were re-assembled at the city hall and made ready for the races which began at 2:30 o'clock. The stores of the city closed at this hour to show their interest in the tournament, the merchants and their clerks thus helping materially to swell the attendance.

Thursday, the last day of the tournament, will be crowded with interesting events. At 10:30 o'clock the hand reel races will begin. These will be followed by foot races open to all members of the fire department, and at 11:30 the grab reel races take place. At 12 o'clock the firemen will be given an automobile drive about the city and at 1 o'clock they will be guests of the city at an old-fashioned picnic at the Power house. The consolation race will be held at 3 o'clock Thursday afternoon.

Picnic on Thursday. The picnic to be given the firemen on Thursday at the Power House is one of the features of the entertainment of the visitors.

The following officers were elected for the coming year:

President, Louis Behrens, of Charleston.

First Vice President, O. K. Laroque, of Marion.

Second Vice President, H. B. Wells, of Newberry.

Treasurer, T. O. Flowers, of Rock Hill.

Secretary, H. S. Hood, Sumter.

The convention in 1916 will be held in Orangeburg.

Picnic at Long Branch. Long Branch school will hold its annual picnic at High Shoals the 22nd of May. The speakers of the occasion are: Rev. R. G. Lee, of Greenville; Prof. Wm. S. Harrison, of Clemson; and Rev. E. L. Kugley, of Honea Path. The public is cordially invited to be present.

ELECTRIC CITY SPARKLETS

Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

Frank Cox Was On Winning Side.

Frank Cox, son of Judge and Mrs. W. F. Cox, of this city, and a student of Furman University, and J. W. Watts, of Laurens, also a Furman student, represented their college in a debate with a team representing Mercer University last Saturday night. The Furman team won the debate, which centered about the minimum wage question. It will be remembered that Frank Cox was recently awarded the gold medal in the inter-society debate at Furman for being the best debater. This Anderson boy is making a splendid record at Furman, and his friends here are proud of him.

Frank Unger Has An Unique Window.

Frank Unger, manager of the local stores of the Columbia Tailors, has one of the most attractive show window displays that has been seen in the city in months. It is unique, to say the least, and is entirely original. The idea emphasized in the window decoration is that the cloth from which suits are made by this company comes from the back of the sheep. In the window there is an old fashioned spinning wheel, which is driven by a motor concealed behind a screen. Cards for carding the wool are also shown. In another corner of the window there is a real live sheep. Scattered about the window are samples of cloth from which this company makes men's wearing apparel. While he has not admitted it, it is generally supposed that Mr. Unger is practicing window dressing in anticipation of the big window dressing contest which is to be held in the near future by the Anderson Ad Men's Club.

Paving Bonds Are Here at Last.

The street paving bonds were received in Anderson yesterday and today they will be executed, and sent back to Chicago to the Illinois Trust company who are the purchasers. After this is done the money for the bonds is to be obtained by the commission. These bonds have to be signed by the mayor and the city clerk. The money will be available as soon as the bonds reach Chicago.

Mr. Webb Back to Work at Panama.

Mr. Wilkes Webb, who has been spending his vacation with his father, Mr. W. C. Webb of this city left, Tuesday for Griffin, Ga., to pay a short visit to his sister, Mrs. Frank Mayes, before embarking at New Orleans for Panama. Mr. Webb will sail for Panama on Saturday.

Palmetto Show is Good This Week.

The show at the Palmetto theatre this week is one of the best attractions that has been there recently. This show is the Empire Musical Comedy company and their bills are all new and of the best variety. The acting is good and clear and the singing is good. The comedian is one who was in Anderson many years ago and made a big hit with a song by which he is still remembered. He is excellent. The chorus is a good one, the girls being pretty, graceful and possessed with good voices.

Anderson Underwriters Attend the Convention.

A delegation of Anderson insurance men left the city yesterday morning for Chick Springs to attend the meeting of the State Underwriters. This meeting is being held now and the crowd at this popular resort is rather large. Messrs. W. P. Sloan, M. M. Mattison, W. D. McClain, C. E. Tribble, Q. Frank Johnson, and Miss Grace Spencer left Wednesday. They will return to the city today.

Bijou Theatre Popular House.

Today at the Bijou theatre "The Black Box", the great serial story and picture being run together by The Intelligencer and the Bijou will be shown. This is one of the strongest of the serial stories and has done much in restoring the popularity of the Bijou theatre. Mr. Jim McCullough is doing well with this show, and he is very much encouraged with the results.

Salem Song Service Sunday.

Special song service will be held at Salem church on Sunday at 11 o'clock. This service is to be led by Mr. J. T. Milford and the public is cordially invited to attend.

Mr. C. S. Allen In Anderson.

Mr. Charles S. Allen, traffic manager of the Piedmont and Northern, was in the city yesterday and stated that his company is preparing to offer an ideal location for the asphalt plant for the street paving. This site is near the center of the city and is on the P. & N. lines, making it very easy to get the asphalt into the city and to the plant without extra handling.

Will Award Contract Soon.

The C. & W. C. railway will award a contract for remodeling the two rooms selected by them in the Anderson hotel building to be used as waiting rooms for their temporary station as soon as all bids are received for the work. The railroad is also getting things in shape to lay a second track in the rear of the hotel building. They will offer a site for the asphalt plant for the city paving plant just off West Market street. Other railways are offered sites for this plant, and it is yet to be decided which one will be accepted.

Anderson County Singing Convention.

The Anderson County Singing Convention will meet at Pelzer Saturday and Sunday May 22 and 23. Two services will be held, the Saturday session beginning at 2 o'clock and at 9 o'clock. The Sunday service will last all day. The public is cordially invited to attend all of these services.

Fire Sale Is Well Attended.

The fire sale recently inaugurated by the R. W. Tribble company is meeting with great success. The people are anxious to take advantage of the chance to get these excellent goods which are supposed to be damaged, but in reality are damaged mostly on the price cards. Every article in the store has been reduced and they are selling like the proverbial "hot cakes."

Paving Ordinances Have Been Drafted.

Ordinances directing the street paving improvements and directing the mayor and city clerk to sign the bonds for this work have been drafted by Acting City Attorney E. F. Cochran. These ordinances are necessary before the ground can be broken for the paving work. The bonds will be executed today by the mayor and clerk, and the work will soon be ready to start.

Making Tour Of Inspection.

Supervisor J. Mack King is now making a tour of all the roads in the county and is inspecting each one carefully. This is a large job, as there is nearly 500 miles of highways in the county. Mr. King spent Wednesday near Pendleton looking for a new site for the convict camp. This camp under the supervision of Mr. McConnell is doing some excellent road work.

Important Notice To R. F. D. Patrons.

Postmaster William Laughlin wishes to urge the patrons of the different rural routes emanating from the Anderson postoffice to fill out and return the forms that were given them by the carriers for the purpose of obtaining the names of all members of families, servants and employees who get their mail through the different rural boxes. If any of the forms have been lost, kindly inform your carrier and he will supply another form. This is a very important matter to all R. F. D. patrons and should be given their immediate attention, as it insures their names being placed on the carrier's directory and, thereby, eliminates any delay in the delivery of their mail.

Art Exhibit At College.

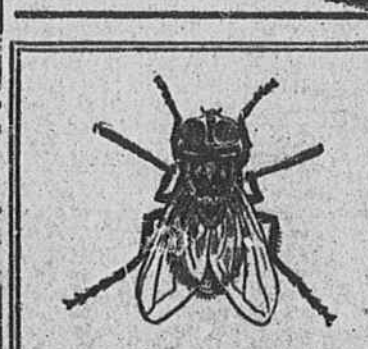

A free exhibition of art work done by the pupils of Anderson college, under Miss Ramsour, will be held Friday afternoon between the hours of 1 and 6. This work was done at the college, and is very creditable. Refreshments will be served during the afternoon. The public is cordially invited to come out and see what is being done at the college.

Mr. Ashley Suffered Stroke of Paralysis.

Hon. Joshua W. Ashley, of Honea Path, suffered another stroke of paralysis on Tuesday night, but is now much better and on the road to recovery. Mr. Ashley was stricken very suddenly and for a while his condition was extremely critical. On Wednesday morning he was somewhat better, and late Wednesday evening he was reported as being very much better. Mr. Ashley's restoration to health is the fervent hope of his many friends all over the State.

Best Thing for a Bilious Attack.

"On account of my confinement in the printing office I have for years been a chronic sufferer from indigestion and liver trouble. A few weeks ago I had an attack that was so severe that I was not able to go to the case for two days. Failing to get any relief from any other treatment, I took three of Chamberlain's Tablets and the next day I felt like a new man," writes H. C. Bailey, editor Carolina News, Chapin, S. C.
